Sir-Cornelis Maria
Executive Human Resources Director
MetroSteel Experts Toronto
careers@metrostelexperts.com

Dear Sir-Cornelis Maria,

I am writing to apply for the Full Stack Developer position at MetroSteel Experts Toronto, which I discovered through your LinkedIn job notification. With a Bachelor's degree in Software Engineering and professional experience in developing end-to-end web and mobile applications, I am confident in my ability to contribute effectively to your team.

Throughout my career, I have successfully built and deployed scalable systems using modern technologies such as React, Django, Laravel, Flutter, and FastAPI. My work spans across various domains including IoT, e-commerce, healthcare, and logistics each project emphasizing performance, user experience, and maintainability. At Afrisoft Ltd and WildMed Safaris, I led both frontend and backend development, integrated real-time APIs, and improved digital visibility through SEO-driven strategies.

What excites me about MetroSteel Experts is the opportunity to apply my multidisciplinary skills in a dynamic and forward-thinking environment. I am adept at collaborating in cross-functional teams, solving complex problems, and delivering solutions that meet both technical and business objectives.

I have attached my resume for your detailed review and welcome the opportunity to further discuss how my background and passion for technology can benefit your organization.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,
Michael Tumuahise
